Step 1: Log In

1. **Open the App:** Tap on the 3Sixty Mobile app icon on your phone.
2. **Log In:** Enter your email and password, then tap Log In to access your account.

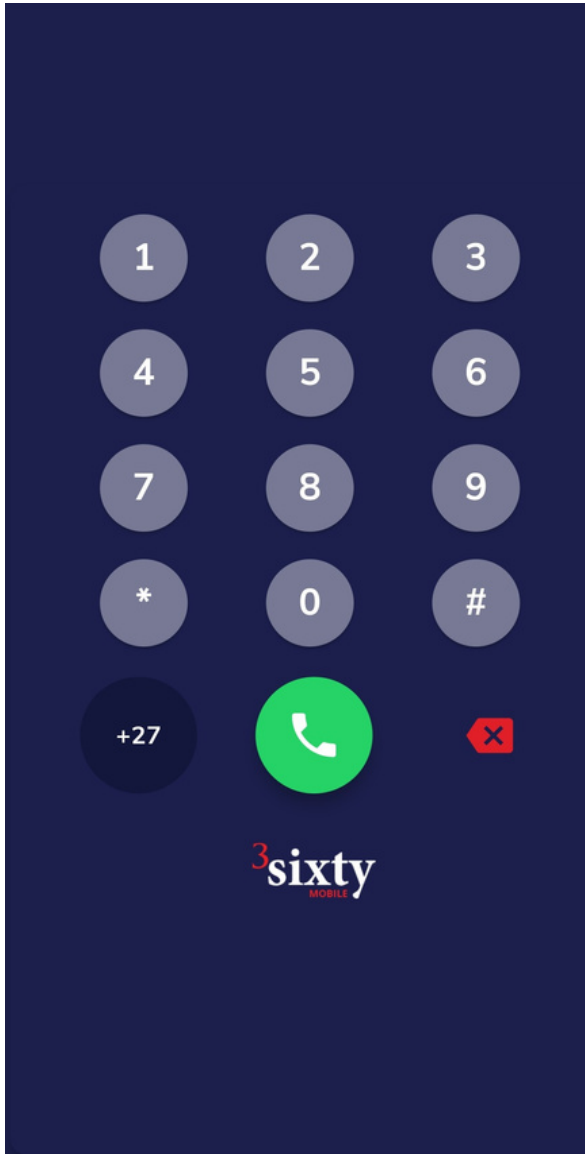

Step 2: Making Calls

Once logged in, you can either call a contact from your phone or manually dial a number.

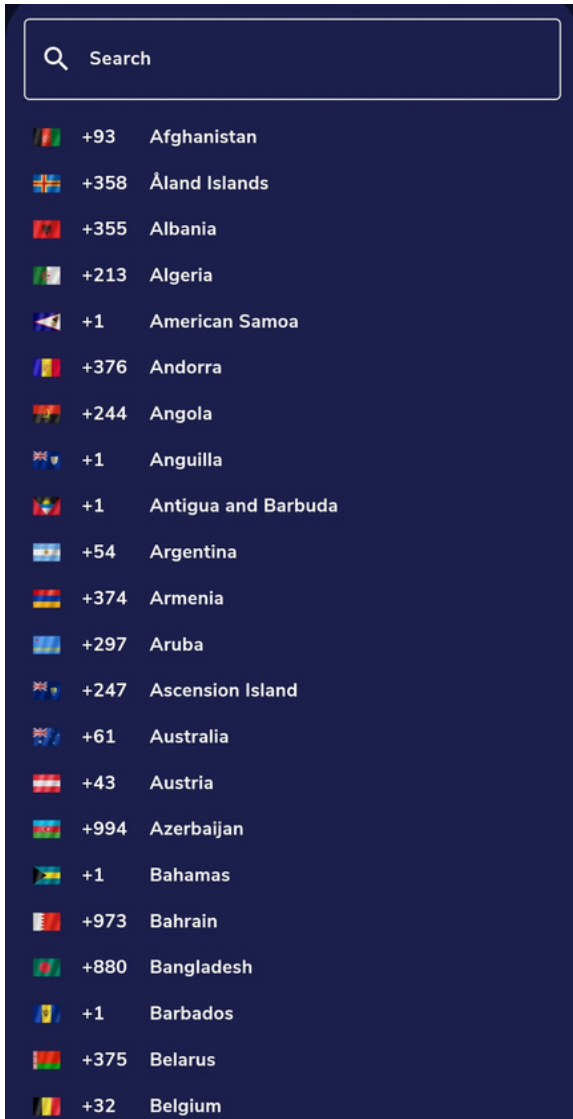

Option 1: Call a Contact

1. **Tap the Plus Sign:** At the bottom of the screen, tap the + (plus) sign.
2. **View Your Contacts:** Your phone's contact list will appear.
3. **Select a Contact:** Scroll through or search for the contact you want to call, then tap their name to start the call.

Option 2: Dial a Number

1. **Go to the Call Section:** Tap the Call option on the main screen.
2. **Enter the Phone Number:** Manually type in the number you wish to call.
3. **Place the Call:** Tap the call icon to start dialing.

Option 3: Calling International Numbers

1. **Dial the Country Code:** To make an international call, start by pressing +27 (or the default country code).
2. **Change the Country Code:** Replace +27 with the country code for the country you wish to call.
3. **Complete the Number:** Enter the full number after the country code, then press the call button.

Step 3: Sending Messages (SMS)

- 1. Go to SMS Option:** From the main screen, tap the SMS option.
- 2. Compose a Message:** Select the contact or enter the number you want to send a message to, then type your message.
- 3. Send the Message:** After composing, tap the Send button.

Important Reminder

You need to open the 3Sixty Mobile App anytime you want to make calls or send SMS. All communication is managed through the app itself.
